You will be taken back to the front page of GradPlan and under the Liberal Arts Core overview, you will now find the required courses for the major you selected.

It is generally recommended that incoming first year students select classes on the 100 and 200 level. Clicking on a hyperlinked class on GradPlan will open a separate window with the course description and when it is offered.

For additional guidance on the sequencing of courses, you can also use the four-year-plans of the departments linked below.
