Using Gradplan to Create
YOUR SCHEDULE

To find what classes are required for your intended major, use the What-if-function!

Select What-If

Select your intended major from the drop-down menu

Then click PROCESS

Using Gradplan to Create
YOUR SCHEDULE

You will be taken back to the front page of GradPlan. Under the Core Curriculum Requirements, you will now find the required courses for the major you selected.

Incoming first year students should select classes on the 100 and 200 level. Clicking on a hyperlinked class on GradPlan will open a separate window with the course description and when it is offered.

For additional guidance you can also
- use the four-year-plans of the departments
- use the Recommended First Semester Schedule linked below
- attend a Registration Lab
- schedule a meeting with a Student Success Specialist
